

It would be well to investigate and if Fritchell was appointed Special Deputy of Carson and Randall Counties the two lines could be approved by this Office for East & South boundaries of Patter County -

The East boundary of Oldham has not been approved and must agree with a line projected North from S. W. Cor. Patter Co. as established by Fritchell Feb'y/98  
except N. E. Cor. Deaf Smith

The North line Patter has to be run
